**International Conference on Emerging Technologies in Engineering, Biomedical, Management and Science
[ETEBMS-2016]**

About Jodhpur

Jodhpur, after a visit by Bill Gates, is popularly known as “Blue-City” due to the vivid blue-painted houses around the Mehrangarh Fort in the deserted Indian State of Rajasthan.

The city was founded in 1459 by Rao Jodha along with the famous fort 400 feet above landscape. Old city circles the fort and is bounded by several gates making it one of the most fascinating tourist destination in the country .

ETEBMS-2016

The aim of ETEBMS Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet the share cutting-edge development in the field with an objective to promote scientific and educational activities towards the advancement of common man's life by improving the theory and practice of these various disciplines.
