Message

On behalf of SD-TECHNOCRATES committee, I would like to extend my warmest welcome to the participants at the International Conference on **“Emerging Technologies in Engineering, Biomedical, Management and Science [ETEBMS-2017]”** which is organized with the collaboration of International Journal for Technological Research in Engineering (IJTRE) and International Journal of Applied Research in Science and Engineering (IJARSE) in Jodhpur, Rajasthan.

This conference will be an educational and rewarding experience for all participants, we will have the opportunity to interact, share and be entertained by experts in field of Electrical, Electronics and Computer engineering as well as biomedical and management. We believe this conference will act as a valuable platform to the participants.

I extend my heartiest congratulations to the organizers of this international conference and convey my heartfelt wishes to the success of this international event.
